## Just Three Easy Steps.

1. Call to set date and time for presentation
2. I will send out two contract. Sign both and return both contracts to me.
3. I will sign both contracts and return one to the school.

## Schools can make 30% off of the sale of merchandise provided by Steve Harpster.

Here's how:

1. Click on the Money For Your School PDF
2. Print off the Order forms. Make enough copies for all the kids in the school to take one home.
3. Collect the money from the orders and report your sales numbers to Steve Harpster a day or two before the visit.
4. Steve Harpster will bring all the products the day of his visit to hand out.
5. The school writes a check to Steve Harpster for agreed upon amount and keeps 30% of the gross amount of sales.

## Rules for visit-

1. I want the kids to have as much fun as possible and walk away with a joy for creativity, drawing and reading.
2. I have no lunch requirements, I can eat with the kids or with the staff. I have no special dietary needs.
3. I can give any number of presentations to the kids and I can vary the length from 30 minutes to an hour. Kindergarten and first grade usually need the short version. I can also talk to a class room full of 20 kids or a gymnasium full of 220 kids. I have no problem entertaining crowds big or small.
4. Kids will need pencil and paper to draw on. Kids do well drawing on the gym floor or a hard floor surface. If you have the presentation on a carpeted surface you might need clipboards.
5. I have my own projector that I use with my computer. I will need a screen or a white wall to project onto.
